INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Zola Levitt Ministries, Inc. Dallas, Texas

I have audited the accompanying financial statements of Zola Levitt Ministries, Inc. (a Texas nonprofit organization) which comprise the statement of financial position as of December 31, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Zola Levitt Ministries, Inc. as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Functional Expenses on page 11 is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

ZOLA LEVITT MINISTRIES, INCORPORATED NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2014

A. Nature of Activities and Significant Accounting Policies:

Nature of Activities: The Ministry is a non-profit corporation organized in Texas that receives donations and gifts from the general public and performs ministerial duties in proclamation of the Christian Gospel. The Ministry is supported primarily through donor contributions.

A summary of the Ministry's significant accounting policies applied follows:

Cash and Cash Equivalents

For purposes of the statement of cash flows the ministry considers all short-term investments with a maturity of three (3) months or less to be cash equivalents for financial statement purposes. Due to its short term nature, the carrying value of cash and cash equivalents approximates fair value. The Ministry maintains domestic cash accounts, which may exceed FDIC limitations. The Ministry believes it is not exposed to significant credit risk on cash and cash equivalents.

<u>Investments</u>

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor, if any, are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized. Short-term investments consist of debt securities with original maturities of twelve months or less. Long-term investments consist of debt securities with original maturities greater than twelve months.

Property and Equipment

The Ministry capitalizes property and equipment over \$500. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Ministry reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Ministry reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over estimated useful lives ranging from five to thirty years.

Contributed Services

No amounts have been reflected in the financial statements for donated services. The Ministry generally pays for services requiring specific expertise. However, the Board Members may volunteer their time and perform a variety of tasks, but these services do

not meet the criteria for recognition as contributed services. The Ministry receives more than 100 volunteer hours per year.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted net assets depending on the existence or nature of any donor restrictions.

Income Taxes

The Ministry is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. Accordingly, no provision for income taxes is reflected in the accompanying financial statements.

The Ministry's Form 990, Return of Organization Exempt from Income Tax, for years ending 2012, 2013, and 2014 are subject to examination by the IRS, generally for three years after they were filed.

The Ministry owns one-hundred percent of a Subchapter S Corporation. Earnings on this investment generate unrelated business income which is subject to unrelated business income tax (UBIT). The Ministry's Form 990-T, *Exempt Organization Business Income Tax Return*, for years 2012, 2013, and 2014 are subject to examination by the IRS, generally for three years after they were filed.

The financial accounting standards board issued guidance that requires tax effects from uncertain tax positions to be recognized in the financial statements only if the position is more likely than not to be sustained if the position were to be challenged by a taxing authority. Management has determined that there are no material uncertain tax positions that require recognition in the financial statements.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Net Assets:

Unrestricted net assets are those amounts presently available for use by the Ministry at the discretion of the Board of Directors.

Temporarily restricted net assets are those amounts given to the Ministry with donor imposed time or purpose restrictions. When a stipulated time restriction expires or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction.

Expense Allocation:

Direct expenses are allocated 100% to program services. All other costs are allocated between program services and management and general based on the estimated percentage of employees' time spent in each function.

B. Restrictions on Cash and Cash Equivalents

Restricted cash in the amount of \$97,936 is the result of donor imposed restrictions on contributions. The Ministry receives donations to be used for certain benevolence projects. This amount is shown as restricted cash and restricted payable until used for these projects.

Bridges for Peace	\$ 6,135
Good News	2,946
Israeli Tree Fund	176
Lone Soldier	1,284
Our Man in Jerusalem	773
Temple Mount Fund	1,939
Tents of Mercy	3,119

E. Fair Value Measurements

The fair value measurements and levels within the fair value hierarchy of those measurements for the assets reported at fair value on a recurring basis at December 31, 2014, are as follows:

Description	F	air Value	 Level 1
Short-Term Investments			
Short-Term Stocks (E-Trade)		25,997	25,997
Vanguard Extended Mkt Index (VEXAX)		67,321	67,321
Vanguard STAR Fund (VGSTX)		584,730	584,730
-			
Total Investments measured at fair value	\$	678,048	\$ 678,048

The Ministry recognizes transfers of assets into and out of the levels as of the date an event or change in circumstances causes the transfer. There were no transfers between levels in the year ended December 31, 2014.

Short-term investments are reported at fair value using quoted market prices.

Investment in Equity Securities

The Ministry owns one-hundred percent of a subchapter S corporation. This investment in equity securities is accounted for using the cost method. The fair value of a cost method investment is not estimated if there are no identified events or changes in circumstances that may have a significant adverse effect on the fair value. The Ministry has not estimated the fair value of this investment because it is not practicable to do so and there have been no such identified events.

The following table summarizes the change in value associated with the investment in equity securities accounted for using the cost method:

Balance as of January 1, 2014	\$ 76,290
Purchases	\$ -
Sales	\$ -
Realized gains (losses)	\$ (24,320)
Unrealized gains (losses)	\$ -
Balance as of December 31, 2014	\$ 51,970

F. Assets Held for Sale

The ministry has an RV held for sale. The RV was sold after year end for \$1,400. There is an agreement in place with WINN Ministries. When the RV is sold Zola Levitt Ministries, Inc. will receive 80% of the sales price and WINN will receive 20%.

G. Shipping and Handling Costs

Shipping and handling costs are recorded as production costs if they relate to the sale of inventory. Shipping and handling costs that relate to general operations are recorded as management and general expenses. These costs are immaterial to the financial statements as a whole.

H. Related Party Transactions

Travel Experience International is a for profit corporation that is owned by the ministry. The purpose of the corporation is to conduct tours of the Holy Land. During 2014 the Ministry was reimbursed \$43,093 for expenses paid on behalf of Travel Experience International. These expenses consisted primarily of charges for advertising during broadcast time of the national weekly program and shared rental space.

As of December 31, 2014, the Ministry had loaned Travel Experience International, Inc. \$25,000 to cover expenses for deposits for 2015 tours. These funds will be repaid when TEI receives funds from passengers paying for the tours.

I. Inventories

Inventories are stated at the lower of cost or market. Cost is determined using the first in, first out (FIFO) method. The value of inventories using FIFO is \$133,743. Inventories include ministerial supplies such as books, tapes, albums, and cassettes.

J. Contingency

The Board of Directors approved a resolution stating that in the event of the dissolution of the Ministry, all full-time employees will receive one (1) week's pay for every year of service. The amount of the contingency can not be determined at this time, because this is a future event and the amount can not be estimated.

K. Evaluation of Subsequent Events

The Ministry has evaluated subsequent events through July 10, 2015, the date which the financial statements were available to be issued.
