

Greetings Friends.

For many years, individuals have responded to a mysterious beckoning that prompts them to make their way to the "Holy Land." Many pilgrims have gone before you and now, like millions of others through the ages, you are considering walking in their footsteps. Wonderful!

This pilgrimage is especially dear to my heart as it follows on the heels of a television program we recently filmed which surveyed Paul's travels as he moved about the ancient world advancing Christ's Kingdom. I wrote a book to dovetail with the series, another indicator of this journey's importance to me.

Entitled "Footsteps of Paul," this adventure will chronicle the man and his message, his movements in and around the Greco-Roman world, and the movement he shaped—Christianity.

Our modern-day journey will begin in Athens and circle through Thessaloniki, Philippi, Kalambaka, Delphi, and back to Athens. After that, we'll hop on a cruise ship to Mykonos, Rhodes, Patmos, Ephesus—my personal favorite—Corinth, and more. As you will see from reading our brochure, (which was printed in advance of the tour schedule), we've extended our Greece tour to add these important sites.

More than just a business, TEI strives to exceed your expectations.

If you travel with us, you'll be exposed to new views on Paul, which we expect will enhance your trip of a lifetime. We will consider his Jewish roots, and the Jewishness of the movement he helped to establish. You'll visit famous biblical sights, and garner insights that evolve out of what we perceive as our unique, Jewish perspective.

As is often the case with pilgrims to the Holy Land, you may well get directives and not just perspective. With the heightened sense of wonderment at all you're learning and seeing, it isn't uncommon to hear a word from the Lord, beckoning you one way or another.

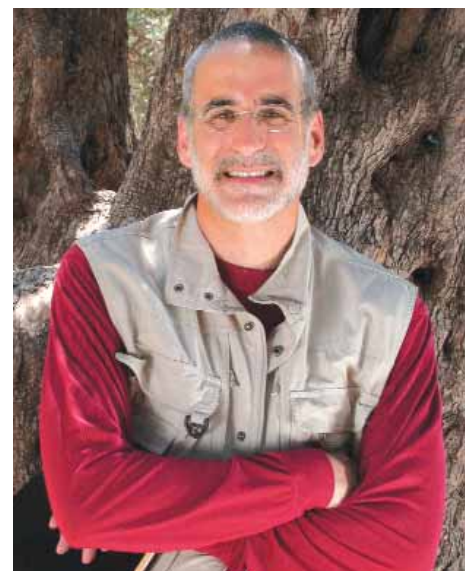

I can't promise that, but I can promise we'll do our best to make this your best trip ever.

Thank you for thinking of us when planning your trip to the Holy Land. I am thrilled that you are interested in going, no matter how you get there. Go. Grow. Be blessed and return home to be a blessing to others.

Shalom,

Dr. Jeffrey Seif
