

# ZOLA'S SPRING TOUR

DELUXE TOUR, MARCH 14-24  
GRAND PETRA TOUR,  
MARCH 14-28

Dear Pilgrim,

Thank you for your interest in our Holy Land tours. We plan three trips per year: spring, summer, and fall. Our basic tour consists of eleven days in Israel, to which we typically offer at least one optional extension. For example, in the spring, you can add to the basic Israel tour a Greek luxury cruise to Patmos, Mykonos, and Rhodes; including tours of Ephesus, Corinth, and Athens (especially the Acropolis, the Parthenon, and Mars Hill). Our summer tour offers an actual archaeological dig and is our least expensive tour because of the season. For our fall tour, you may choose Israel, Israel with the Petra extension, Israel with the Athens extension, or Israel with both extensions. This last option with both extensions lets you tour Greece, Israel, and Petra/Eilat in 20 days.

People who shop tours often notice striking price differences and need to consider the different experiences when traveling with a local church tour versus a tour led by an experienced travel agency. Zola Tours has led more than 90 tours to Israel over the past 25 years, and has never cancelled a trip. We understand this industry inside and out. When touring areas where security is a concern, we maintain vigilance with people on the ground who continually update and advise us. Our personnel have been in place for dozens of tours. Our land agencies, hoteliers, restaurateurs, etc., are reliable friends of many years. When you compare our tours with other agencies, you'll see that we offer superior services at lower prices—because of our reliability and long-standing relationships with our providers, we receive more-favorable professional discounts than other travel agencies. Also, our tour prices are all-inclusive, with the exception of lunches. We never print an “a la carte” price and then charge extra fees during the tour.

As you can imagine, a tour guide can make or break a trip, and we have one of the best. Having completed an extensive training program and with over 25 years of experience leading tours, Zvi is reputedly the premier guide in Israel. He gives the tour with the enthusiasm of a first-time guide, but with the knowledge of someone who has been leading tours his whole life. In addition to Zvi, Dr. Jeff Seif, of our internationally televised broadcasts, leads daily devotions at key sites, as well as scriptural teachings, and evening Bible studies to put the day's activities into context.

Nothing we Believers do this side of Heaven can compare to a visit to the Holy Land—just ask anyone who has been there! Our next scheduled tour of Israel will be in the spring of 2010. I am in the office from 7:30 a.m. – 4:00 p.m. (Central Time) each day and would love to hear what's in your heart regarding your desire to visit Israel. I also can answer any logistical questions you may have. You can reach me at 214-696-9760 or email me at [travel@levitt.com](mailto:travel@levitt.com).

Yours in Yeshua,

GRAND PETRA TOUR,  
MARCH 14-28

Dear Fellow Pilgrims:

Here is your brochure! I sincerely hope that you will be traveling with us.

If you are planning to join us, please return the completed registration form and your per-person deposit to our office as soon as possible. This will confirm your reservation. The final payment is due 60 days prior to departure: your checks should be payable to ZOLA TOURS. Thanks.

Please apply for your passport immediately if you have not already done so. Do not wait until you have your passport to forward your deposit; you may send passport information at a later date. Passports are good for ten years, so we highly recommend that you obtain yours, even if your plans are only tentative. No other documents are necessary for entry into Israel if you are a citizen of the United States, and no shots are necessary.

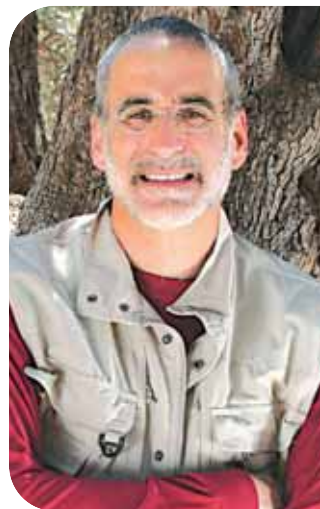

Some passengers have lost money on nonrefundable tickets with domestic airlines because they bought their reservations too early. It is smarter to buy your ticket just before 21 days in advance in order to ensure that nothing happens to alter your plans. Also, ticket prices tend to vary over time. Experienced travelers monitor these fluctuations and sometimes opt to pay a higher price for tickets that can be changed or used at a later date. Many travelers prefer single accommodations, even though this adds some expense. Problems can arise—such as folks who snore or have other issues—that interrupt privacy and rest. We are happy to honor requests for single rooms on a first-come-first-served basis, space available.

Our tours are unique in that our pilgrims have a great deal in common. Most of our travelers are viewers of *Zola Levitt Presents* and Bible students who support Israel. These good-natured Christians exude love and good fellowship. Pilgrims who meet on our tours often develop friendships, and many hold reunions. This contrasts with the average group tour where tourists of all different sorts travel together for economic reasons. We believe our pilgrims are called by our Lord to make this precious journey to His Homeland—we can promise a time of rich fellowship in Christ.

Please call Tracie Robbins in our office at (214) 696-9760 with any further questions you may have. We look forward to assisting you in any way possible. *This year in Jerusalem!*

In His Service,

Jeffrey Seif
